

Kansas Editor "Hard Up."
Our friend Martin, of the Atchison Champion, has the following pathetic tribute to "the Almighty Dollar":
"Some time last winter we requested one of our delinquents to bring us one dollar in a wheelbarrow, to enable us to pay off our workmen; buy paper, ink and fuel; pay boarding; pay rent; and meet our current expenses. The dollar was forthcoming, but we add with sorrow, is now missing. It has departed, left, decamped, nuzzled, absquatulated. It is no more. And we want another to take its place, and do the many wondrous things it did. Therefore we hope some one of our delinquents will bring us another dollar, which will be thankfully received, and honorably mentioned. He can bring it in a wheelbarrow or in his pocket-book, as he pleases."

A NEW AERIAL SHIP.—An aerial ship, called the *City of New York*, intended for a trans-Atlantic voyage, has been in the course of construction for some months past in the vicinity of New York, and is now so nearly completed that she will, says the *New York Herald*, be ready to undertake the trip in October. The aeronaut who has charge of the enterprise is Mr. Lowe, of New Hampshire, who has made several successful ascensions. The dimensions of the air-ship are greater than those of any balloon previously built. The capacity of the gas receiver is 725,000 cubic feet; the aggregate height of the balloon, from the valve to the bottom of the boat, is upwards of 300 feet; the diameter, 130 feet. Mr. Lowe proposes to go directly from New York to London in 48 to 64 hours.

THE GREAT RUSH!

Latest from Pike's Peak!

UNPRECEDENTED DISCOVERIES!

INFORMATION has just been received that five thousand Indians have collected themselves together in the vicinity of Pike's Peak with a view of driving out the whites already there, and preventing further immigration. But this information is by no means reliable. However, it is a fact that

The poetry lies in the truth of the statement. Call and examine for yourselves. We would respectfully call the attention of the

CENTRAL KANSAS LAND AND COLLECTION AGENCY.

The Oldest Agency in the Neosho Valley!

OFFICE AT THE EMPORIA HOUSE.

WITH THE COMMENCEMENT OF THE

New Year I wish to return my hearty thanks for the liberal support and encouragement that has been extended to me in my business for the past two years. This office was opened here about two years ago, not with the expectation of realizing a fortune, but with the hope of contributing something towards the settlement and improvement of this beautiful valley, by means of direct personal effort, and by furnishing information to those at the East who were seeking homes and occupation at the West. I have endeavored to keep steadily in view the future of this town and country, and by means of considerable labor and expense, regardless of present profit, my business is now established upon a firm and reliable basis; and I can offer to all who entrust their business to my care, an intimate knowledge of the country, its inhabitants and their circumstances, derived from extensive travel, and constant intercourse with settlers, upon and since their arrival. I claim to be thoroughly conversant with the wants and capabilities of this country, and shall never advise correspondents or emigrants anything they cannot realize. My facilities for the transaction of business are unequalled by any office in the Neosho Valley. I shall attend all the

Government Land Sales,

and can safely say to capitalists and others who desire to invest in Western land that I know I can buy better land for less money, than you could yourselves if present. Emigrants in search of claims or eligible situations for business, can always save time and money by calling at this office. Late plats showing all unoccupied land, always on hand. Deeds, Bonds, Mortgages, Leases, Co-partnerships, and all other legal documents prepared with care, and recorded when desired.

Proof Papers,

Declarations, and Affidavits, made and guaranteed perfect. In fact, everything connected with the right of Pre-emption attended to with promptness and fidelity. Land Warrants and Money loaned on commission or joint account, and good bargains guaranteed in all cases. Those having Land, Town property or claims to sell can advantageously sell through this office, as I advertise largely, both in Territorial and Eastern papers. Those wishing to buy can always find a variety to choose from and good bargains. I will pay taxes for non-residents, and collect debts in all the Neosho river country.

MONTHLY AUCTION SALES

Of Real Estate in Town and Country! I now offer for sale the following property, the prices in all cases low, to suit the times:

50 Lots in Emporia, for cash or on time—warranty deeds given.

One House and lot on Commercial street, suitable for an office or shop, and residence; or for a store.

One House and Lot corner Merchants St., and Sixth Avenue.

80 acres unimproved land one mile from town. One share in Toledo.

Eleven Lots and House in Toledo.

Claims, Claims of all kinds, and in all directions from town.

Correspondence solicited. Letters of inquiry (inclosing stamp) promptly answered.

Address: E. P. BANCROFT, January 6th, 1899. Emporia, Kansas.
